THE PRINTER THAT DOES MORE, FOR LESS.

The BJC-2100 Color Bubble Jet Printer is the perfect choice for printing letters, full-color Web pages, beautiful photos or personalized birthday greetings. It handles everything with ease and offers superb 720 x 360 dpi quality at a truly great value. Connect in seconds to any USB-compatible Mac or PC and you're ready to print anything with impressive results.

The latest technologies made easy.

Advanced design makes the BJC-2100 printer exceptionally easy to use. Load ink cartridges quickly, thanks to a drop-in loading system. Turn your printer into a color sheetfed scanner with the optional IS-22 Color Image Scanner Cartridge. Enhance image color and quality, convert photos to illustrations or add special color effects

with the push of a button. And Windows users can print on both sides of a regular sheet of plain paper with the unique duplex printing feature.

A universe of creative projects.

Take full advantage of Canon Print Planet℠ at www.canonprintplanet.com. It's an ever-expanding universe of creative projects you can download, personalize and print from your color printer. Canon Print Planet gives you everything you need to celebrate special events, throw a party, create home projects or just have fun. Also included with your printer is American Greetings® CreataCard® SE. This exciting Windows 95/98 software package lets you create your own personalized greeting cards, signs, certificates and stationery.
