

REPAIR PARTS BOOK

LAWN MOWER

REPAIR PART ORDERING INFORMATION

Use only manufacturer's authorized or approved replacement parts. The letter placed on the end of the part number denotes the type of finish for the part, C for chrome, Z for zinc, a PA for purchased assembly. It is important that you include this when ordering a part. Do not use attachments or accessories not specifically recommended for this unit. In order to obtain proper replacement parts you must supply the model number of your mower (see nameplate).

Replacement parts, except for the engine, transmission, transaxle or differential, are available from the store where the unit came from, a service shop recommended by the store, or an authorized service shop found in the yellow pages of the telephone directory.

If you are unable to obtain parts or service in the manner outlined above, contact the Central Parts Distributor for your area (listed in back), or write to the Factory Customer Service: Outdoor Power Equipment, P.O. Box 268, Brentwood, Tennessee 37027. Collect telephone calls will not be accepted.

Replacement parts for the engine, transaxle, or transmission, are available from the manufacturer's authorized service center found in the yellow pages of the telephone directory. Also, see the individual engine or transmission warranties to order replacement parts.

When ordering the following information is required: (1) The Model Number; (2) Date of Manufacture; (3) Part Number; (4) Description; (5) Quantity.

OWNER'S INFORMATION

Record the following information about your mower so that you will be able to provide it when ordering parts or in case of loss or theft.
