

**Speedballs Final Farewell to AskMeHelpDesk**

I wish to thank each and every one of you for helping to make my last years both productive and enjoyable. You guys took the sting outta growing old. you gave me purpose and a reason to get up in the morning. You all made me feel like I still had something to contribute and not just some old retired fart setting around waiting to die. Since I retired i answered questions for AskMe and All Experts but this group was far and away the best I ever worked with. I'm proud to have been one of you. Mark, (Massplumber) along with Milo was hand picked by me to take over The Plumbing Page. I picked Mark because he was the closest thing to me I could find. I leave The Plumbing Page in his capable hands. And now, with a tear in my eye, it's time to say good bye. Fare you well my my friends! I love every one you guys!! Tom aka "The Speedster"

**Note:** Tom passed away on mm/dd/yy in Sarasota Florida.
