Disclaimer:
Offer valid for residential customers in wired serviceable areas. Services may not be available in all areas and available services and standard prices may vary by market. Standard installation includes the activation of up to two standard outlets (one primary and one additional outlet). For every additional outlet installed/activated beyond the first two outlets during the initial installation, a \$9.99 per outlet fee applies for installation of a new additional outlet where there was no previous outlet. Or Installation of a set top box on a new or existing outlet or rewiring of an existing outlet. Additional installation fees may apply for complex installation and additional outlets. Activation of programming subject to credit approval and requires a valid service address. Social security number and/or major credit card, deposit or prepayment may be required. Prices do not include applicable franchise fees or taxes, the actual amount depending on location and service ordered. Ask your Charter Communications Customer Service Representative for more details. Not valid with other offers. Offer subject to change. Other restrictions may apply. Someone over 18 must be present at time of installation.
